REMARKS

25X1

1. The approach roads to the troop training grounds of DOELLERSHEIM (O 49/R 53) were blocked to civilian traffic because of firing practices held there in early July 1949. It was impossible to enter the training grounds.
2. Local residents stated that the occupation of the troop training grounds had not changed since late May 1949. At least one hundred tanks were observed near DOELLBACH (O 49/R 63).
